CREATE AN ACCOUNT

After purchasing your LabSim training course, use the provided activation code to setup an account. Go to www.testout.com. At the login screen click "Create an Account". (Only first time users should setup a new account.)

The screenshot shows the TestOut website homepage. The navigation menu includes 'Certification', 'IT Certification Training', 'Educator Resources', 'Purchasing', 'Support', and 'About'. A search bar is located on the right. The main banner promotes 'TESTOUT'S NEW SECURITY PRO COURSE' with a 'Learn More' button. On the right, the 'Login' section contains a 'Log In' button and a 'Create an Account' link, which is highlighted by a red arrow.

Enter your country, desired login, password (field is case sensitive), first name, last name, email address and activation code and be sure to include the dashes. Click the "Create" button when completed.

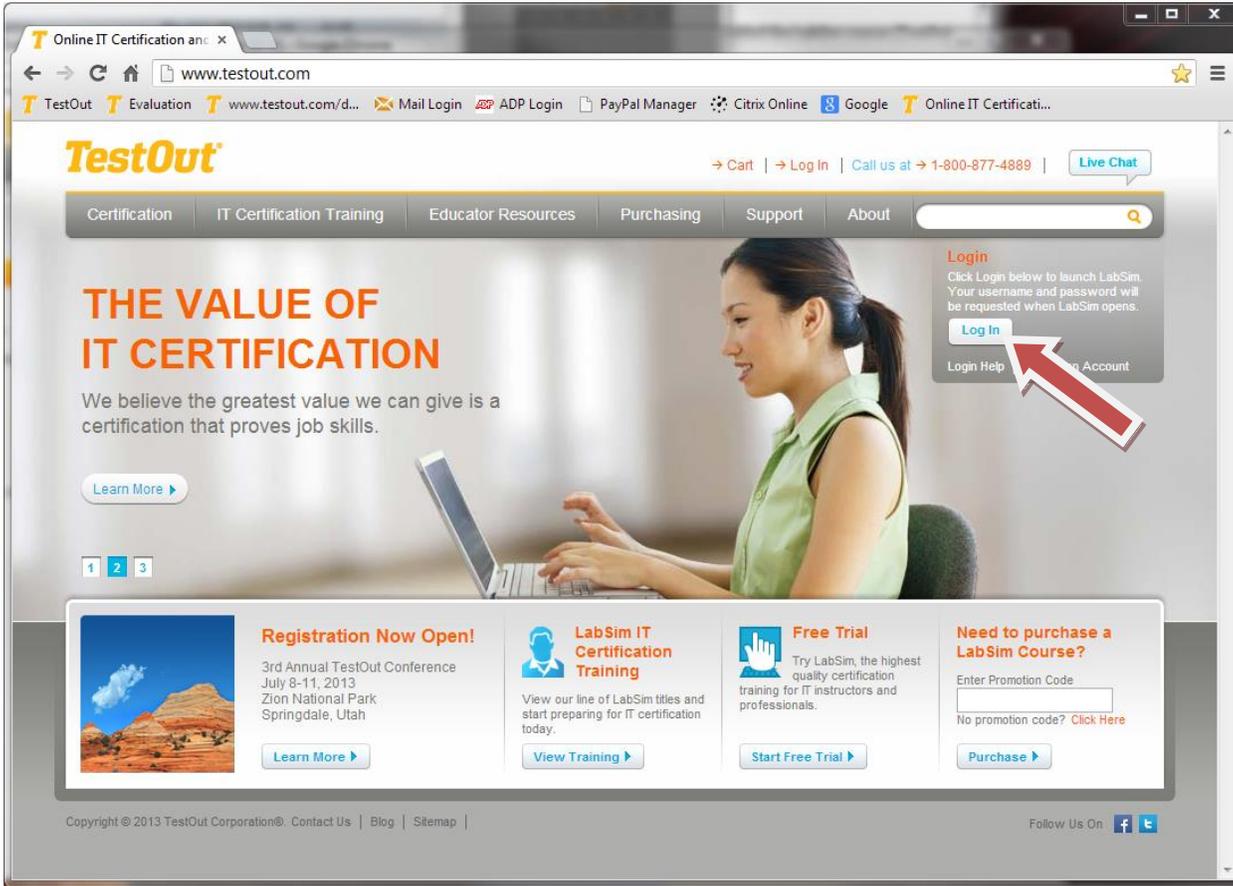

The screenshot shows the 'Create an Account' form. It is titled 'Create an Account' and is divided into two sections: 'Choose your login and password' and 'Activate your account'. The 'Choose your login and password' section includes fields for Country, Desired Login, Password, First Name, Last Name, and Email. The 'Activate your account' section includes an 'Activation Code' field. A sample activation code is provided: 'SAMPLE ACTIVATION CODE: AXZV-R29L-DMYL-ZYY'. A red arrow points to the 'Create' button at the bottom of the form.

This completes the account creation.

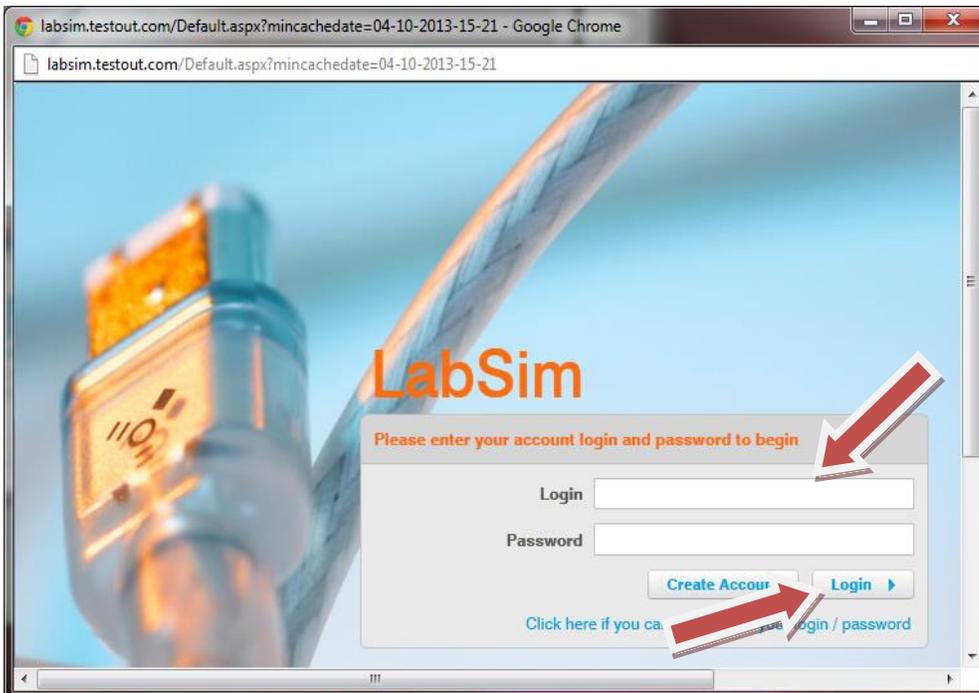

(During your initial login, you will be asked to update your account for enhanced security.)

ACCOUNT LOG IN

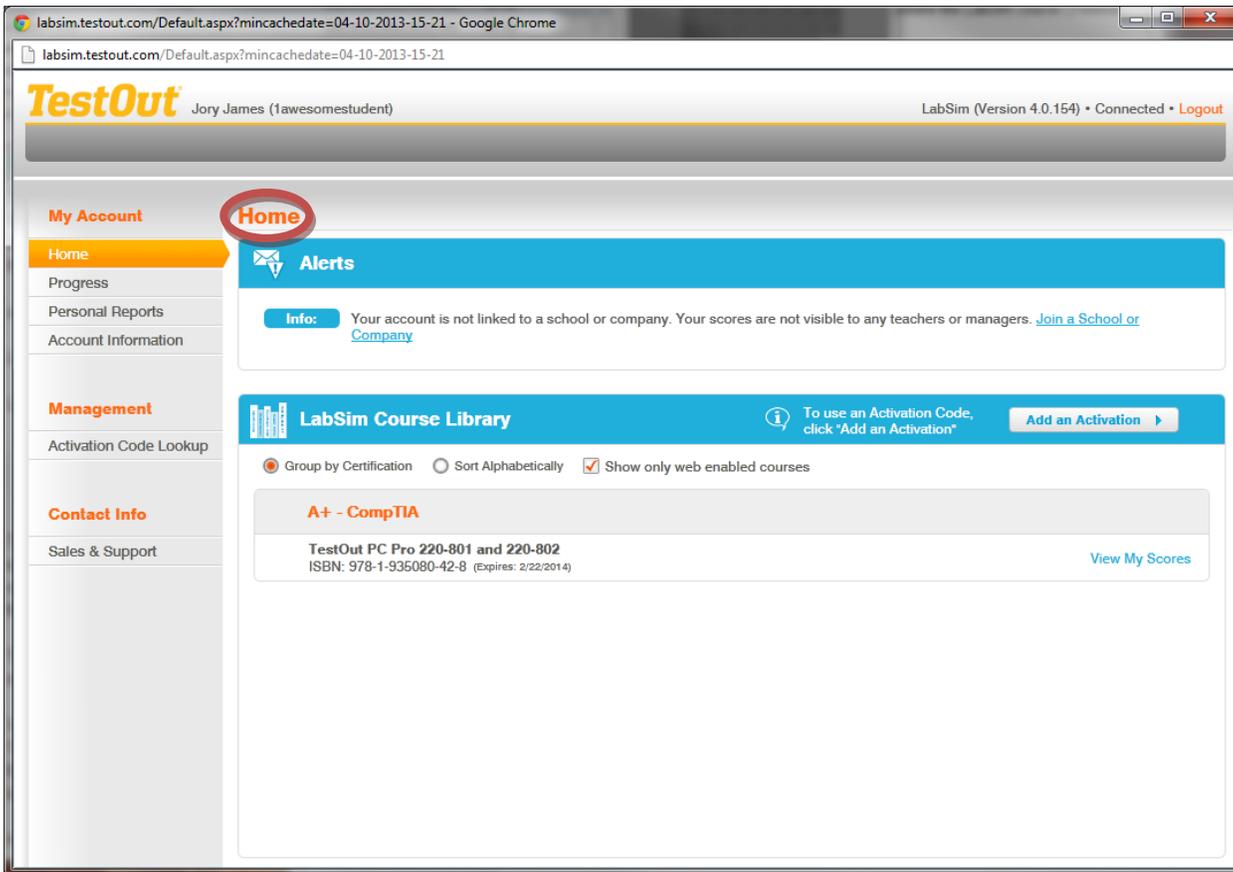

Go to www.testout.com and press the “Log In” button.

At the LabSim login screen, enter your login and password. Click on the “Login” button.

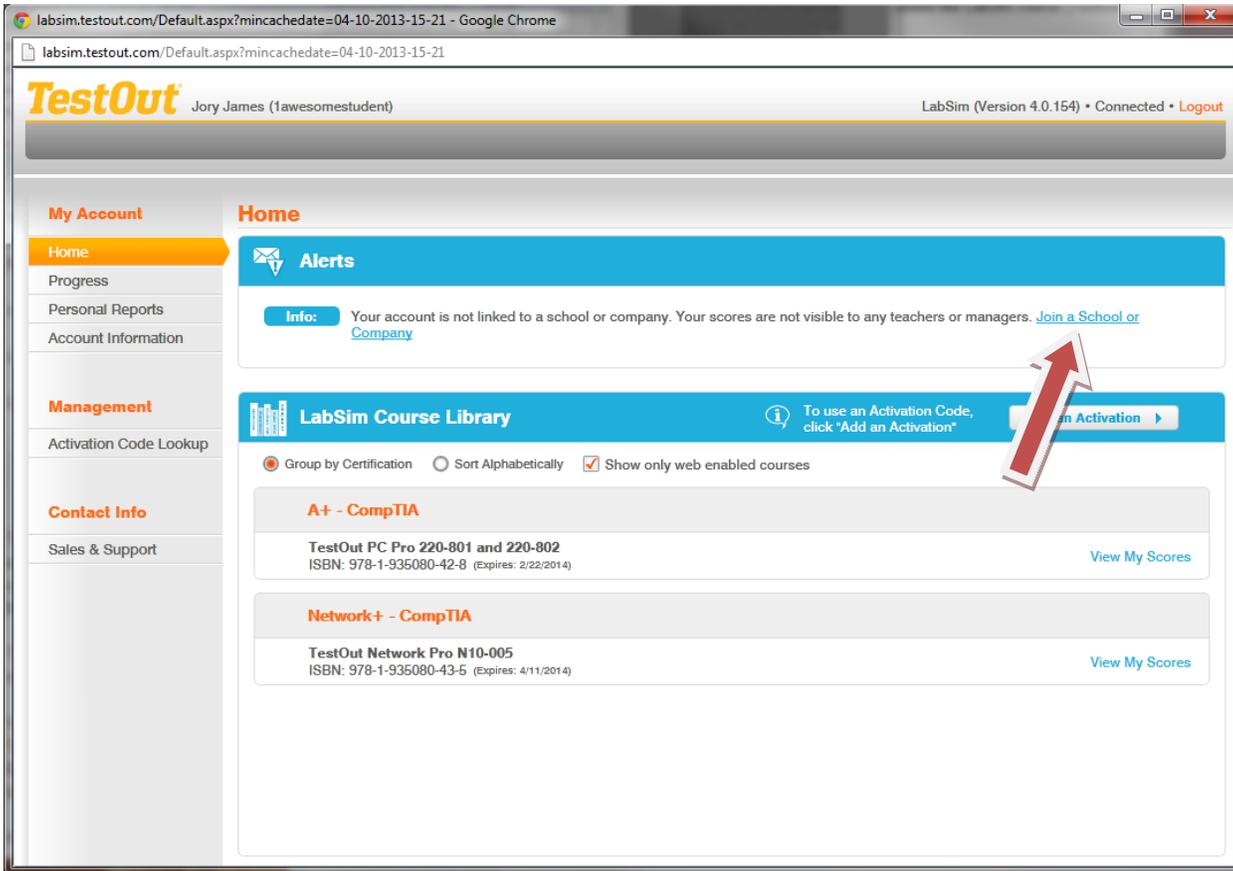

Once you are logged in you will be on the main interface screen also called the LabSim Home page.

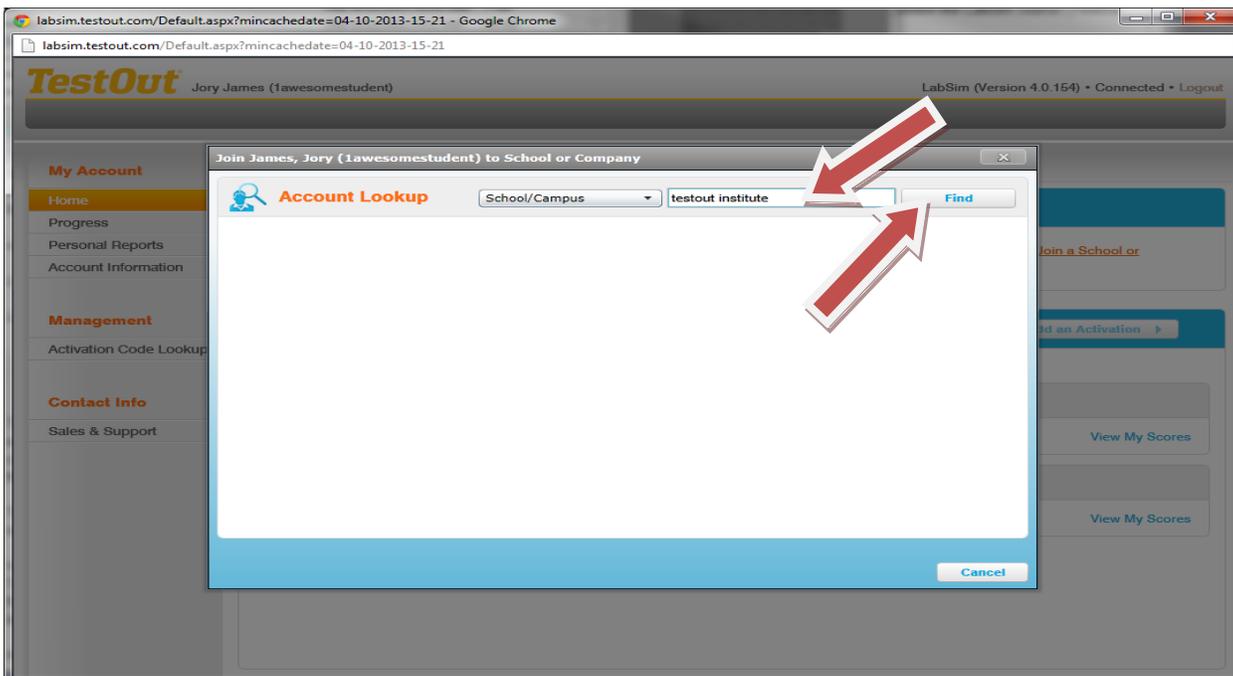

JOIN A SCHOOL

Click on “Join a School or Company” under the “Alerts” header. (Your account may already be associated with your respective school. If this is the case there will only be an “Enroll in a Class” link. So if that is true skip this section.)

Enter at least part of the school name in the search box and click “Find”.

Use the scroll bar if needed to locate the school to join and click the link “Join to this Campus as a Student”.

Once your account is associated to your academic organization, your home screen will appear with three headers, “Alerts”, “My TestOut Certifications” and “My Classes”.

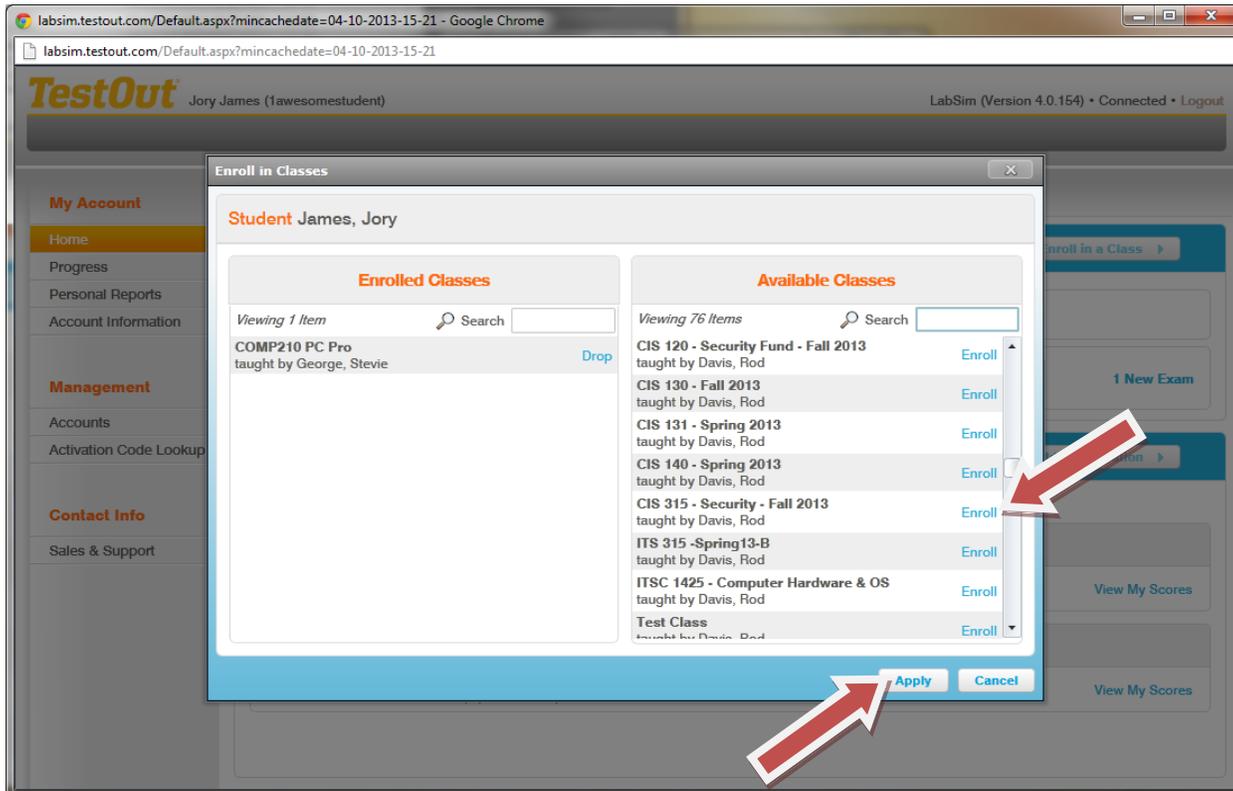

The screenshot displays a user's home screen with a left-hand navigation menu and a main content area. The navigation menu is organized into four sections: **My Account** (Home, LabSim Library, Progress, Personal Reports, Account Information), **Management** (Accounts, Activation Code Lookup), **Contact Info**, and **Sales & Support**. The main content area is titled **Home** and features three prominent blue headers, each circled in red: **Alerts**, **My TestOut Certifications**, and **My Classes**. The **Alerts** section includes an information box stating that instructors can only see scores when enrolled in classes, with a link to [Enroll in a Class](#). The **My TestOut Certifications** section highlights the **TestOut PC Pro Certification**, providing a link for [More information](#) and a box indicating the user has **1 exam voucher** with a link to [What is an exam voucher?](#) and a question about which classes help prepare for the exam. The **My Classes** section includes an information box about instructor score visibility, buttons for [Enroll in a Class](#) and [LabSim Library](#), and a message stating the user is not currently enrolled in any classes and providing instructions on how to enroll and access the course library.

ENROLL IN A CLASS

Click on “Enroll in a Class” under the “Alerts” header. (This link will only appear if you are joined to a school.)

Click “Enroll” next to the respective class or classes you are in and then click the “Apply” button.

The class or classes you enrolled in will appear under the “My Classes” header.

The screenshot shows a user interface with a sidebar on the left containing navigation links: My Account, Home, LabSim Library, Progress, Personal Reports, Account Information, Management, Accounts, Activation Code Lookup, Contact Info, and Sales & Support. The main content area is titled 'Home' and features a blue header for 'My TestOut Certifications' with a question mark icon. Below this header, there is a section for 'TestOut PC Pro Certification' with a description and a 'More information' link. To the right of this section, there are two buttons: 'You have 1 exam voucher' and 'What is an exam voucher?'. Below the certification section is another blue header for 'My Classes' with a lightbulb icon and an information icon. A red arrow points to this 'My Classes' header. Below the 'My Classes' header, there is a section for 'COMP210 PC Pro' taught by George, Stovic. It includes 'Related LabSim courses' with a link to 'TestOut PC Pro 220-801 and 220-802' and a 'View My Scores' link. To the right, there is an 'Exams' section showing '1 New Exam' and '1 Available Exam' with an expiration date of '7/29/2014 10:45 AM'. At the top right of the 'My Classes' section, there is a note: 'Instructors can only see your scores when you are enrolled in their classes.' and two buttons: 'Enroll in a Class' and 'LabSim Library'.

To enroll in additional classes, click the “Enroll in a Class” button and follow the previous steps.

This screenshot is identical to the one above, but with a red arrow pointing to the 'Enroll in a Class' button in the 'My Classes' section.

REPORTS

After you have enrolled in your class or classes, the respective instructor(s) will be able to view your progress and scores. You can also monitor this same detail by selecting “Personal Reports” and viewing your “Score Sheet”.

Personal Reports displays your scores for a specific product. [Return to Options](#)

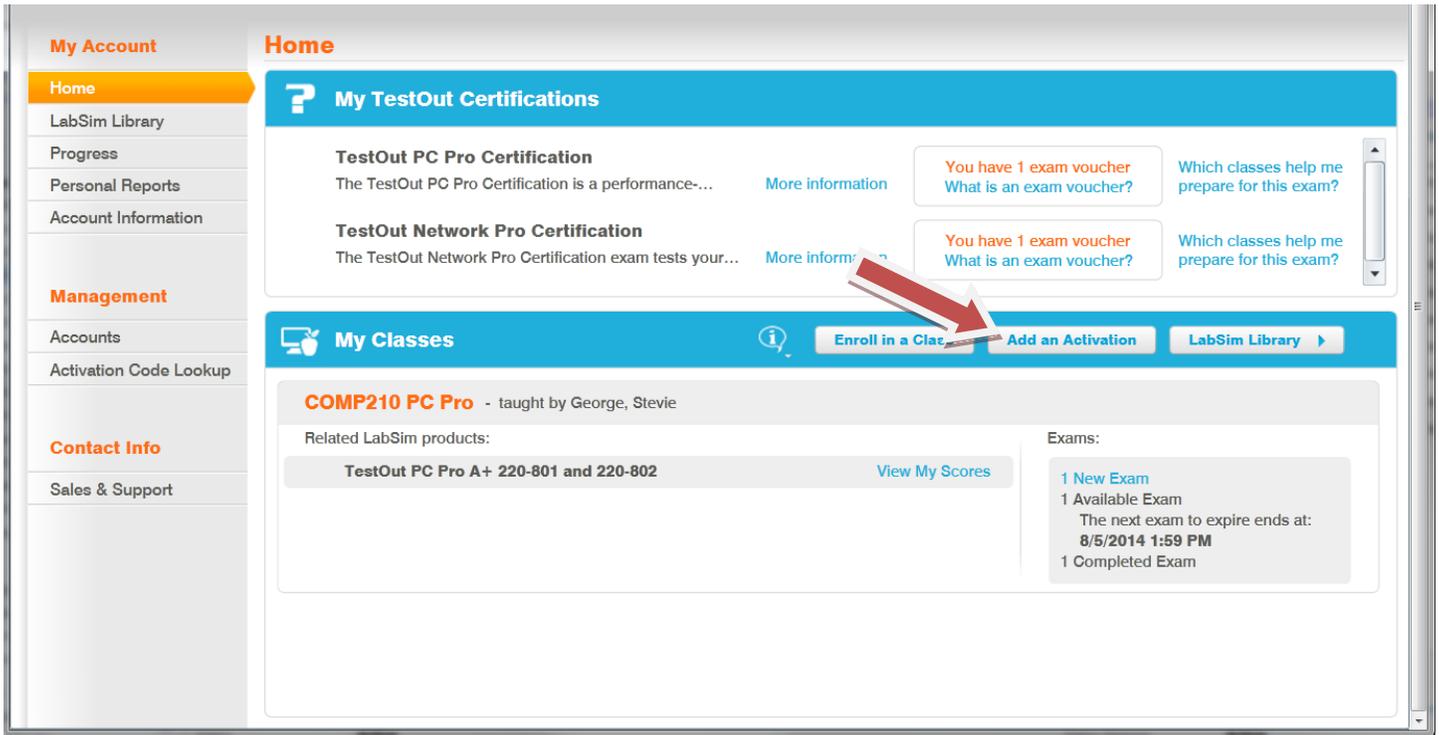

Report options: Product: TestOut PC Pro 220-801 and 220-802 ISBN: 978-1-935080-42-8 - Resource Types: Exams, Labs, Lessons, Videos

ADDING ADDITIONAL COURSES

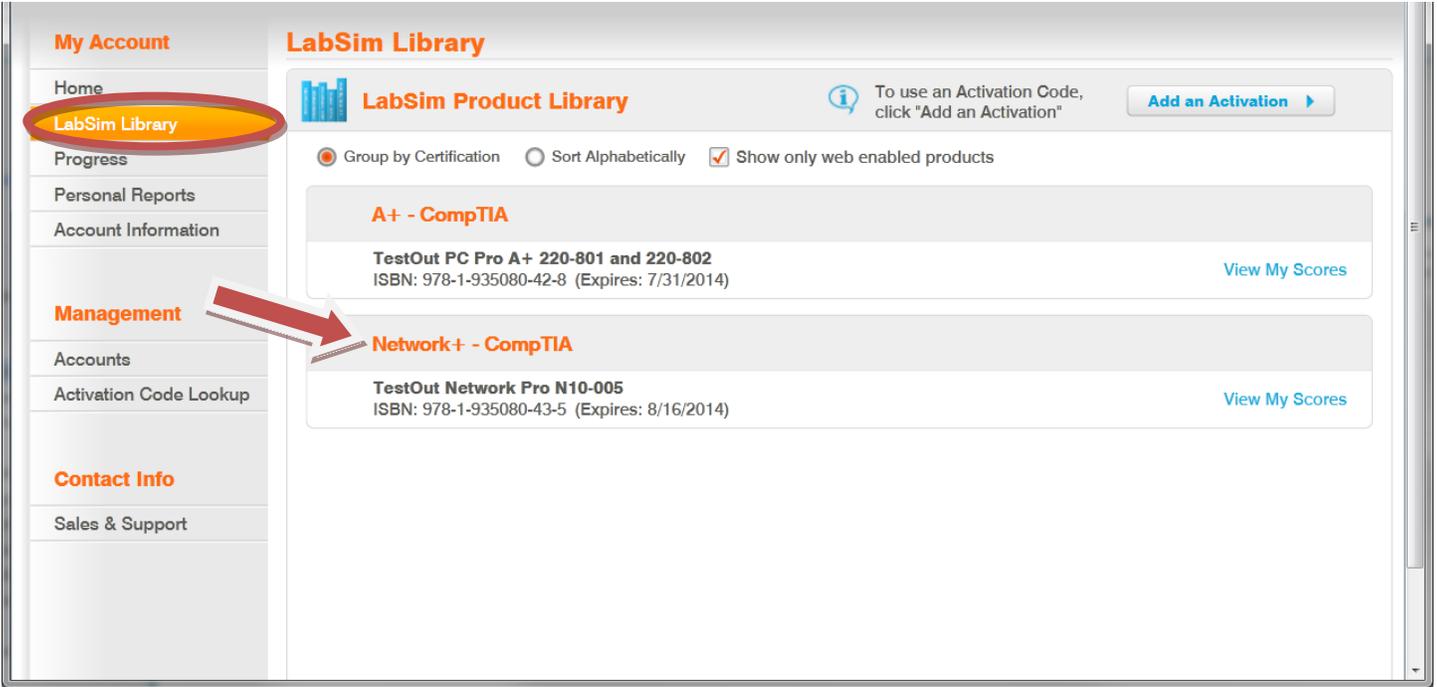

Click the “Add an Activation” button within the “My Classes” header.

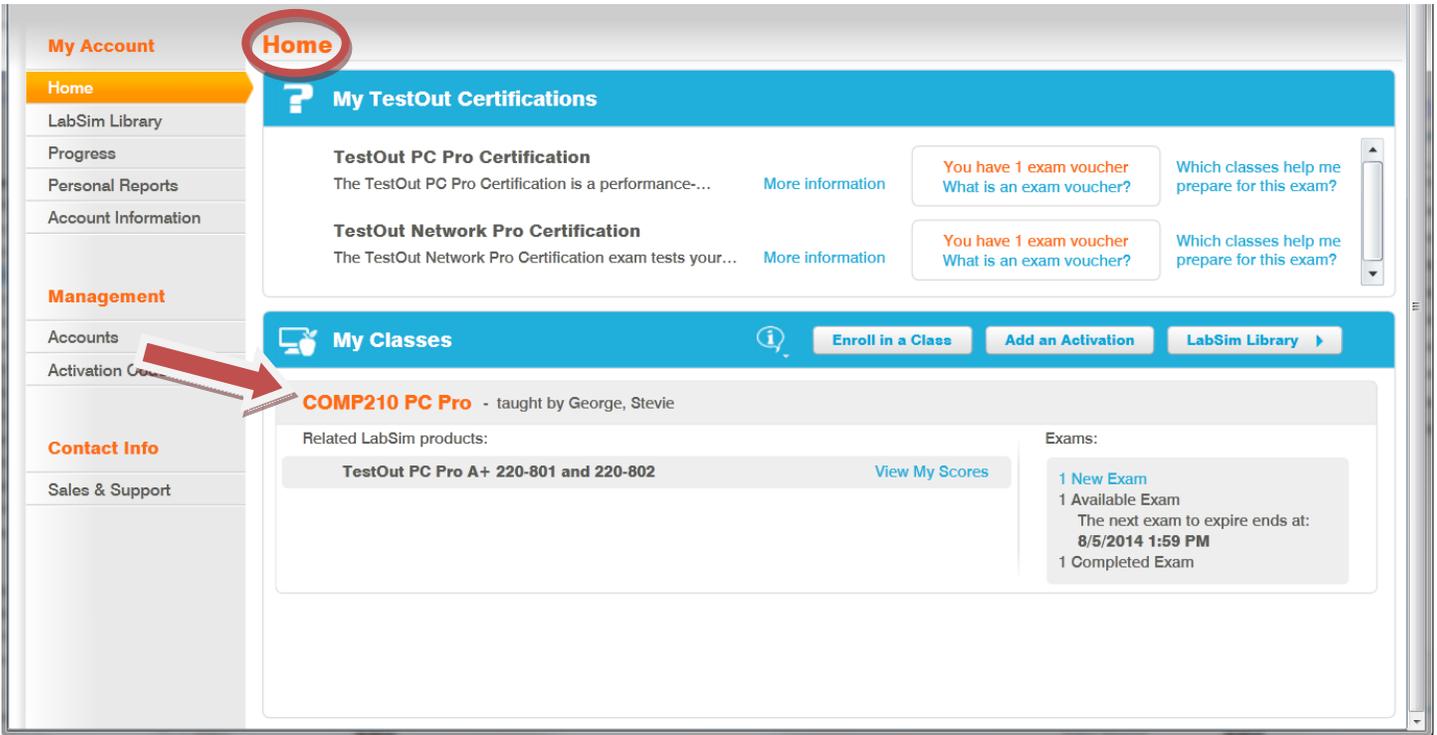

Enter the activation code and click the “Activate” button.

Your new course will appear under the list of courses in the LabSim Library.

NOTE: All your courses will appear in your LabSim Library; however, on your "Home" page, courses will only appear that associate with your classes.

You may also wish to view a short tutorial to assist you in using your LabSim product. The video is entitled "Navigation" and is posted online at <http://www.testout.com/home/student-resources/how-to-tutorials>.

Enjoy your training!
