

Name: _____ Section: _____

Date assigned: Wed, 3/23

Date due: Fri, 3/25 (**beginning of class**)

Instructions:

- In 1 page, summarize the documentary “Tales From the Organ Trade”. (10 points)
- Answer the following questions:
 1. Explain three problems that arise in a black market for kidneys that would not exist in a regulated market. (6 points)
 2. Does a kidney sell for the same price on the black market in every country? What are your thoughts on this? Compare this situation to the labor market across countries where workers in different countries get paid vastly different amounts for the same job. (4 points)
