The main menu taps you will be using are Q&A and Resources. While in Q&A, you will see all new post in the left panel and information from a post on the right. You can create a new post by clicking 'New post'. In the Resources tap, you will see course information, staff details and resources for course. Further instructions on how to use the platform will be explained in new posts by the instructors. We hope you have a great time studying with us!
