Instructions for reviews of Papers for the course EECE 571K: Term 2, 2018.

*Both reviews are due **by noon on the day before** the scheduled discussion class. Please send me the reviews as a private note on Piazza with the PDF files as attachments. Emailed reviews will NOT be accepted.*

Remember that you are NOT merely summarizing the paper but providing critical comments on it (positive and negative). I'd suggest organizing the review as follows. The entire review should be at most 2 pages, single-spaced, with 10 pt font at least.

Do NOT critique the writing or presentation of the paper – focus on the technical parts of the paper and the evaluation.

Summary (2-3 sentences):

Things you liked about the paper:

Things you did not like:

Open questions or points that you do not well understand:

Extensions to the paper/study that are not suggested by the authors:
