

# Completing Your Comprehensive Evaluation Requirement

All MSCS and MSSSE students are required to complete a comprehensive evaluation in order to graduate. In the CS Dept., graduate students have five options for completing their comprehensive evaluation:

## Master's Thesis

Requires 6 credit hours of CS 6000 – Master's Thesis **AND** faculty approval

## Master's Project

Requires 3 credit hours of CS 6001 – Master's Project **AND** faculty approval

## Master's Report

Requires 3 credit hours of CS 6002 – Master's Report **AND** faculty approval

## Industry Career Certificate *(Completed through TTU Online partnership with Coursera)*

*\*\*Please see Piazza resources tab for additional information on approved list of certificates*

## Work Experience

- 1) Distance Students who work as full-time professionals
- 2) Full-time students completing an internship/CPT

**Contact your assigned Academic Advisor if you have questions about this option.**

Requires 1 credit hour of CS 5000 – Practicum of Computing

**\*\*CS 5000 does NOT count toward your degree requirements**

To ensure that you are making timely progress toward your graduation requirements, we encourage you to consider which of the above options works best for you by the end of your first semester in the program.
