Work Experience to Satisfy Comprehensive Evaluation

After you have successfully completed 18 hours of coursework, please complete the form below. In addition to completing the form, you will need to have your supervisor email cs.grad_advisor@ttu.edu with subject line: ***Full-time CS Job for Comprehensive Evaluation for R#.*** Inside the email, your supervisor should confirm that you have a full-time job, provide the computer science skills/knowledge that is involved in your ongoing or recently completed projects.

- Please make sure that you provide your employer with the template email and your R# so that they can have all relevant information to provide to the graduate advising team.
- You may ask your supervisor to CC you on this email (so that you know the request has been submitted to the graduate advising team).
